1/ This proposal seems to have emanated from the Hospital Assistant evidently trying to secure a free residence for himself. That the building which was once being used as a Travellers' Bungalow is too small for the location of a small Dispensary like the

one at Sakrebatun cannot
be admitted & that because it is very
old & leaky, it cannot be used as a Dispensary
Strongest that it is unfit
for habitation. The use
of a portion of the Musafirkhana
for dispensing medicines
with a dead house ?
never it is most objectionable
& would entirely defeat
the object with which
Musafirkhanas are built
for the use of the travelling
public. The President
may therefore, if approved
be informed that the Board
proposal cannot be sanctioned
& that steps should be
taken to maintain the
present building in an
efficient condition

Sir.

Adverting to Govt. Order No: 19123-5 / L.F. 163-96 of the 11th June 1903 sanctioning the location of the Dispensary at Sakrepatna in the old Travellers' Bungalow. I have the honour to state that on the representation of the District Surgeon that the present building being too small, very old and leaky is unsuited for the purposes of a Dispensary and that a new spacious one and a Dewa house be newly constructed. The Subject was discussed in the District Fund Board

Board and as there were no funds for the construction of a new building it was resolved to set apart the northern or western portion of the Musafirkhana for use as a Dispensary and to ask the Executive Engineer Kadur Division to furnish the Board with an Estimate for a Dead house. A copy of their resolution accompanies for the information of Government

2. I beg to request therefore that you will be so good as to obtain the sanction of Government to utilize a portion of the Musafirkhana for the Dispensary and the present Dispensary building as Quarters for the Hospital Assistant and to state that by using a portion of the Musafirkhana the travelling public may not be put to inconvenience as there is ample space for them

No.2318 dated 21-6-1904.

Sir,

With reference to your No.2244 dated 14-6-04, regarding the location of the Dispensary at Sakrepatna.

I have the honor to state that the building in which the Dispensary was located was in a very dangerous state which I mentioned in my inspection report to you. After consulting with the Deputy Commissioner the dispensary was removed to the Musafirkhana by my suggestion till a suitable building is given. I think it is desirable to locate the dispensary at Musafirkhana. The old Travellers Bungalow in which the dispensary was located is not fit for any habitation. The Hospital Assistant has already made a reference to me and the Executive Engineer is requested to execute necessary repairs to the building.
